## **General Information**

The entry deadline is 1:00pm MDT, Sunday, June 21st, 2009.

Entry fees are \$40 per athlete, regardless of how many events an athlete competes in. Fees are due before the start of racing on the day of the regatta.

All races will be 1500m straight on a six lane buoyed course, with a floating start. Coaches are advised to make sure all of their rowers and coxes have had practice in maneuvering and aligning boats for floating starts.

All competitors must be registered with Rowing Canada Aviron (RCA) or their corresponding federal rowing association.

RCA Rules of Racing will apply, with a few exceptions that will be made later in this race package. The complete RCA rules can be found on the World Wide Web at [www.rowingcanada.org](http://www.rowingcanada.org). Coaches, please make sure your rowers and coxes are familiar with race procedures, as described in Part 10 of the RCA Rules of Racing.

During the day there will be a concession stand open with beverages, snacks, and hot and cold lunches for sale.

Following the completion of racing, there will be an awards presentation and catered dinner in the banquet room at the top level of the boathouse building. The dinner is free for all competitors and coaches, and costs \$15 for anyone else wishing to attend. There will be a cash bar at the dinner.

## **Racing Categories**

**Junior:** Athletes born in 1991 or later.

**Novice:** Athletes who started rowing after September 1, 2008.

**Lightweight:** Male athletes 73.5kg (162.0 lbs) or less; female athletes 60kg (132.3 lbs) or less. (Note that these limits are 1kg above the RCA limits for lightweights.)

**Masters:** Athletes who will be at least 27 years old by December 31, 2009. Contrary to the RCA rules, we will allow athletes to compete in both masters and non-masters events. Handicaps of 1.5 seconds per year of crew average age will be applied in masters events. When making entries in masters events, please state crew average ages using ages that will have been attained on December 31, 2009.

**Open:** Open to all competitors.

**Recreational:** Open to crews not wanting to compete in any of the above categories; no restrictions on gender; coaches' discretion is requested when making entries.

If two or more visiting clubs request a JW8+ race, we will add it to the schedule. The same applies for the JM8+.

**Coaches:** Please note that in recent years, some 1x and 2x events have had large numbers of entries, requiring numerous races, with hot-seating, in early-morning heats. *In order to help us run a reasonable schedule, and to avoid wearing out rowers before finals even get started, please consider not entering any one rower in multiple 1x events or in multiple 2x events.*

## Preliminary Regatta Schedule: Outline

There will be a meeting of coaches and officials at 8:00pm on Friday, June 26th, in the hall on the top floor of the Calgary Rowing Club boathouse.

We expect to start heats for events with seven or more entries at approximately 7:00am on Saturday morning. The exact start time will depend on the number of events that require heats.

Weigh-ins for lightweights will start at 7:00am or one hour before the start of the first heat in a lightweight event, whichever is earlier, and will close at 9:00am.

Projected start times for finals are listed in the table on the next page. If we have to run a large number of heats, the first final may start later than 9:00am, but we will preserve the order of events.

A tentative draw and schedule will be produced by Wednesday, June 24th, and a final draw and schedule will be produced after the coaches meeting on the evening of Friday, June 27th.

## Process for Making Entries

This year we would like each club to make its entries by filling in a Microsoft Excel spreadsheet file. A copy of this file will be available for download from [www.calgaryrowing.com](http://www.calgaryrowing.com) by the week of June 15th.

There is single sheet in the file, with five areas labeled General Info, Junior Entries, Senior Entries, Masters and Recreational Entries. Please use the General Info area to enter your club name, contact information, and numbers of athletes, coaches, and number of extra dinner tickets needed.

Then use the other three areas to list your entries. For each event you wish to enter, replace the 0 in the # of Entries cell with the appropriate number, then use the cells to the right to list the names of the strokes for each boat. In the Masters Entries area, please also enter the crew age in the cell underneath the stroke's name.

Here is an example showing how to fill in the Masters Entries sheet:

Category	Boat Type	# of Entries	Last Name(s) of Stroke(s)		
MW	1x	3	Smith	J. Jones	M. Jones
age Dec. 31, 2009:			37	41	52
MW	2x	1	Smith		
avg. age Dec 31, 2009:			44.5		
MW	4x	0			
avg age Dec 31, 2009:					
MM	1x	0			
age Dec. 31, 2009:					
MM	2x	0			
avg. age Dec 31, 2009:					
MM	4x	1	Brown		
avg. age Dec 31, 2009:			47.25		
M Mixed	2x	0			
avg. age Dec 31, 2009:					
M Mixed	4x	1	Smith		
avg. age Dec 31, 2009:			33.5		

The Junior and Senior sheets are similar but simpler, because age information is not needed for Junior and Senior events.

If you would like to enter a JW8+ or JM8+ event, please change the word NO to YES in the appropriate cell(s) on the Junior Entries sheet.

Please send the completed file as an email attachment to [steve.norman.rower@gmail.com](mailto:steve.norman.rower@gmail.com)
